

'07 | 22-25 October 2007
Vienna, Austria

Dear Exhibitor,

Thank you for joining us this year for The World of Health IT 2007 at the Austria Center Vienna in Vienna, Austria, 22-25 October 2007. Below you will find instructions on how to properly register your clients to attend The World of Health IT 2007 Conference & Exhibition.

To make registering your clients easier, please complete the attached spreadsheet with all of your clients' information. Some of the cells contain drop down menus to assist you.

- Using your mouse simply click on the cell and a square box with a down arrow will appear
- Click on this arrow and the list of appropriate choices will appear. Use your mouse to click on your selection.

For each of your clients, please complete **all** of the questions on the registration spreadsheet, including the demographic questions at the end. Any individuals with missing information will not be registered.

Please note for Demographic Question 1 (in Blue) there are (4) different subcategories for the Professional Title. Please choose only 1 selection and **not** (1) selection per subcategory.

Please keep in mind that with your booth space purchase you are allotted a certain number of complimentary client badges. Please refer to your booth confirmation letter sent to you by Christina Luke to view how many complimentary badges you are to receive. If you exceed your allotment, please complete the client badge registration payment form that is attached. Any individuals that exceed this complimentary allotment will be invoiced to you for €80 each.

Send the completed registration spreadsheet and payment form to Christina Luke at cluke@worldofhealthit.org. If you have any questions regarding this registration spreadsheet, please contact Christina Luke at +1-312-915-9516 or cluke@worldofhealthit.org.
